

Nuhaj Aziz

nuhaj243@gmail.com | London, UK

Summary

Front-End Developer skilled in React.js, Next.js, and Tailwind CSS. Experienced in UI/UX design, performance optimization, and accessibility. Built real-world projects, including a URL shortener, banking app landing page, and geolocation tracker. Seeking a role to apply expertise in modern frameworks and API integration.

Skills

- **Languages:** JavaScript, TypeScript, HTML5, CSS3, Java, Ruby, Python, MySQL
- **Frameworks:** React.js, Next.js, Tailwind CSS, Angular, SASS
- **Tools:** Git, GitHub, Firebase, Netlify, MongoDB
- **Other:** Responsive Design, API Integration, Debugging

Employment History

Software Developer Intern – Anima People (5/24 – 8/24)

- **Implemented UI designs:** Translated mockups and wireframes from designers into responsive and accessible web pages using Next.js and Tailwind CSS.
- **Developed and maintained frontend features:** Built and optimised user interfaces for performance and usability, ensuring cross-browser compatibility.
- **Documented code and processes:** Created comprehensive documentation for codebases, development processes, and project-specific details to facilitate future maintenance and onboarding.
- **Collaborated with project managers:** Participated in regular meetings to discuss project timelines, clarify requirements, and align on deliverables.
- **Conducted code reviews:** Reviewed code from peers, provided constructive feedback, and incorporated best practices to maintain high code quality.
- **Resolved frontend issues:** Identified and fixed bugs and UI inconsistencies, improving user experience and site stability.
